Visiting Scholar Policy/Process
International Student & Scholar Updates

Kristen Hagen, *Associate Director*

Tanya Schaad, *SEVIS Data Manager*

Center for Global Engagement

Visiting Scholar Policy

- Invitations for new Visiting Scholars still on hold.
- Visiting Scholar Oversight Committee will consider exception requests to process invitations for scholars arriving no earlier than May 2021. Contact [Stephen McDowell](#), Assistant Provost, for more information.
- RAMP (Research Administration Management Portal) will include questions for initiating Visiting Scholar invitation process.
- Full-time, FSU-paid Postdoctoral Scholars are not Visiting Scholars.
- J-1 request process will involve eForms before the end of next semester.

International Students

- Most U.S. consulates closed worldwide – some opening for F-1 and J-1 visa applications.
 - Uncertain if Summer and Fall 2020 or Spring 2021 students will get visas to come for Spring 2021.
 - Communication with your students is key.
 - No official guidance for Spring 2021 – expect that new students (not transferring from another U.S. school) will need some in-person coursework if they obtain a visa and come to the U.S.

Social Security Number Applications

[SSN Process](#) while SSA office is **closed to walk-in service**:

- 1) Department provides F-1 student the [required SSN letter](#) on department letterhead confirming appointment. J-1 students must have authorization from their sponsor (FSU or other). J-1 postdoctoral scholars only need their DS-2019 form.
- 2) For F-1 Students: Department or student emails the signed letter to CGE@fsu.edu or the student's [CGE advisor](#). After adding their signature, the CGE advisor will send the letter to the student.
- 3) Student or scholar calls the SSA office at **(866) 248-2088** and requests an appointment. They should state that they need the SSN for employment.
- 4) Student/scholar CAN be appointed without an SSN or receipt for SSN, but they should be in the process of obtaining the SSN.
- 5) Students who are currently in other states must inquire at their local SSA office about procedures for applying.
- 6) Anyone who forgets a previously issued SSN may need to appear in person with documentation to obtain the number.

Departmental Funding Forms

- We need to issue Spring I-20's for students who are currently enrolled remotely outside the U.S. or admitted to a future term, but we need your help!
 - Please provide updated department funding information to Quinn O'Brien at gobrien@fsu.edu as soon as possible to confirm that support is still available for Spring (or the semester for which the student is admitted).

Document Pick-up

- Most services are offered online, but we are open the following hours for pick-up only:
 - Monday, Wednesday, Friday from 1 p.m. – 5 p.m.
 - Remote-only starting after Thanksgiving for the remainder of the year.

Tips for Confirming a Top Candidate's Qualifications
&
Express Internal Path Enhancements

Amy Espinosa

Assistant Director, Employment & Recruitment Services

Tips for Confirming a Top Candidate's Qualifications

- Before entering a job offer in OMNI HR, a hiring department must exercise due diligence by vetting a top candidate's qualifications.
- **Top Candidate's Qualifications include:**
 - Education
 - Experience
 - Certification/Licensure

Verifying Education: Faculty

- **Original transcripts:** Official transcripts are required for Faculty hires and should be sent directly to the hiring department for review.
- **Ensure Proper Chain of Custody:** Electronic transcripts sent to the student are void. Paper transcripts issued to the student are only acceptable if they arrived at the department in the original sealed unopened envelope.
- **How to Verify Authenticity:** Look for the required elements including an official seal, letterhead/stationary, appropriate authorizing agent, etc.

Verifying Education: Staff & OPS

- **Documentation:** Obtain a copy of diploma or transcripts from the candidate if a degree is required. Review to ensure the degree and major the applicant indicated they possess was in fact conferred.
- **Verify Authenticity:** Look for the required elements, including an official seal, letterhead/stationary, appropriate authorizing agent, etc.

Verifying Experience

- **Confidential Letters of Recommendation (Faculty):** At least three signed confidential letters of recommendation are required. Letters should be recent (within the last 18 months) and speak to the candidate's abilities to perform the position in question.
- **References (Staff & OPS):** Conduct at least three professional reference checks to confirm the information provided by the applicant. Reference checks should include the candidate's current place of employment and should be conducted with supervisors versus personal references or co-workers.
- **Current or former FSU employees:** Review the personnel file and leave/attendance records.

Verifying Certification/Licensure Requirements

- **Required Certifications/Licensure:** Get a copy of the license/certification and verify status and validity through applicable government or issuing agency's website.
- **Post-hire licensure/certification:** Department must track, confirm receipt by deadline, and obtain copies of the documentation for the employee's file.

Confirming a Top Candidate's Qualifications

Before entering a job offer in OMNI HR, a hiring department must exercise due diligence by vetting a top candidate's qualifications as presented during the application and interview process. If attention to this crucial step is disregarded, it can affect compliance with the standards for accreditation and the reputation of a program.

Key Tips for Department Representatives:

- Stay in touch with your candidates. You are their first line of support.
- Need to review your candidate's onboarding progress? Navigate to Invitation Console and click on the Invitation ID to review the Invitation Summary. Click View Process from the Candidate Console page for a detailed status update.
- Previously saved bookmarks on homepages or favorites will not work—remove them.
- If you have completed an onboarding session or are completing one (as a candidate), you will need to choose your role if going through the Department Administration page (Department Administrator).
- Do not let your candidates expire! An onboarding invitation expires after 21 days if not accessed by the candidate.
- If your candidate is an existing employee, rehire, current student, or former student, please enter their Employee ID and FSUID when adding express appointments.

Smart ERP Onboarding Upgrade – Quick Reference Guide

Key Tips for Department Representatives:

- Upload all documents needed for an onboarding invitation before clicking “Save and Submit” to submit the candidate’s supplemental documents. Submitting without all required documents will not speed up the processing timeline.
- Deadlines are met when job offer and all documents needed are received in HR, not when the job offer is submitted.
- Approvers & Department Representatives should proactively monitor their Worklists and FSU Onboarding Approvals.
- Know the difference! “View Onboarding Approvals” is for reviewing Dual Compensation, Outside Employment, or Employment of Relatives actions. “FSU Onboarding Approvals” is where approvers take action on pending items.
- Onboarding an additional appointment? Remember to consult with the Department Rep(s) for the employee’s existing appointment(s) to determine the following: No Change, Update, or Terminate. Coach Internal Transfers on how to appropriately answer the Dual Comp question.
