Assistant Director, Benefits

403(b) Project Objectives

- FSU has *fiduciary responsibility* to act in the best interest of our employees.
- The 403(b) vendors or pricing had not been reviewed in recent years.
- We evaluated current products and vendors through a competitive Request for Proposal (RFP) process. Key goals included:
 - Provider *consolidation*
 - *Reduction* in costs and administrative fees
 - *Fiduciary risk reduction*
 - Responsive and accurate *customer service*

403(b) RFP

- The Request for Proposal (RFP) requested costing for two types of 403(b) services.
 - Lead Recordkeeper (LR)
 - Single Recordkeeper (SRK)

403(b) RFP

- The primary services of a **Lead Recordkeeper (LR)** are to develop and maintain the vendor agnostic voluntary 403b microsite, act as the default vendor for participants who do not make an active choice of provider, accept a single feed of all plan contributions, and disseminate the contributions downstream to the other vendors, provide and maintain the plan document, monitor loan and hardship limits, and provide plan level participant data.
- **Single Recordkeeper (SRK)** services include all these services except the dissemination of contributions downstream.

403(b) RFP

- RFP Committee Discussion
 - The Committee decided to utilize a **LR service**. TIAA will be the LR. Corebridge Financial (AIG) and Voya will continue as active vendors with a target effective date of January 2023.

Tracey Pearson

*Deputy Chief Human Resources Officer/
Director, Employee & Labor Relations*

Important Dates

- Evaluations will be available in OMNI on Tuesday, January 3, 2023. **They are due no later than Wednesday, March 1, 2023.** Communication will be sent out on January 3, 2022, as a reminder.
- The evaluation rating period measures performance from January 1, 2022 - December 31, 2022.

Lower than Satisfactory Performance?

- An overall rating of *Below Satisfactory* requires a Performance Improvement Plan (PIP), and will only cover the last 60 days, not the entire rating period. Supervisors must contact Employee & Labor Relations (ELR) before initiating a *Below Satisfactory* performance evaluation.
- Performance Expectations Plans (PEP) are recommended with a *Marginal Satisfactory* overall rating. Please contact your department's assigned ELR representative for guidance.
- In order to receive guidance, managers should reach out to ELR now if they anticipate an employee will receive either of the above ratings.

Criminal History Background Checks

Andrew Kapec

*University Background Check & HR Records Manager
Employment and Recruitment Services*

How to Handle Disclosed Criminal History

- Review of Criminal History handled solely by HR Background Check Team
 - Details are confidential
 - Department given “approval” or “not eligible”
- Considerations of Criminal History Review include:
 - Severity, Time Passed, Relation to Job Sought, and Appropriate Disclosure
- Existence of Criminal History not and automatic disqualification
- “Not Eligible” determinations apply only to one specific position/Job ID

How to Handle Disclosed Criminal History

- Considerations for selecting Top Candidates should include:
 - Qualifications, Education, and Experience
- Criminal History conversations and questions with candidates should be deferred to the BGC Team in HR.
- Candidate selection process is sacred and must not be tainted.

How Background Checks Are Ordered

- Smart Onboarding
 - All hires made via OMNI-HR Job Offers route through HR BGC Team in SMO - except FWS.
- Request Form via Forms Portal (Found at hr.fsu.edu/bgc)

 - Appointments/Changes made without OMNI-HR Job Offer
 - Internal Movement, Reassignments, Change of Duties, Compliance
 - Request Form Roster can be used for large groups – ask BGC Team

Miscellaneous

- All new appointment hire dates are contingent and may move.
- Approval from HR must be received **before work begins**.
 - “Work” includes trainings or orientation.
- To ensure timely pay and policy compliance, Job Offers should be submitted **2-3 weeks** before anticipated start dates.
- Review the Background Check Website (hr.fsu.edu/bgc) for policy explanations and details on process and procedures.
- Public Service Loan Forgiveness (PSLF) Forms can be Nifty'd to HR-Records@fsu.edu for completion.
- Verifications, Name Changes, Public Records Requests -> HR-Records@fsu.edu

Implementation

- Effective **September 16, 2022**, we increased the University's minimum wage for staff to \$15/hr (\$31,320 annually).
- Effective **November 25, 2022**, we will move all staff positions into the new market-competitive structure. Employee impact may be one of the following:
 - *Pay Band Adjustment Only* – Employee's pay band will adjust to the new structure. No job code change or salary adjustment.
 - *Reclassification* – Based on a thorough review of PD, employee will reclassify into a new job classification – may or may not include Market Adjustment.
 - *Market Adjustment* – A salary adjustment is needed to bring the employee up to the minimum of their assigned pay band in the new structure.
- **Beginning Spring 2023**, Human Resources will focus on assessing individual placement in the new structure to further address compression and pay equity.
