2015-2016 A&P ePerformance Goals and Objectives:

Supervisors who choose to utilize the goals and objectives section in ePerformance for their employee(s) 2015-2016 A&P ePerformance Reviews, or need to update goals and objectives from the previous review period, must do so through Person Profile screen in OMNI by Friday, July 22, 2016. Goals and objectives are created by the supervisor and are unique to the individual. They are available to view via Employee Self Service and Manager Self Service.

The goals and objectives identified in the Person Profile are pre-populated in the Employee-Goals section of the performance evaluation. Goals added or updated after July 22, 2016, will not transfer to the 2015-2016 evaluation form. For your convenience, the Training Guides for Adding/Updating Goals and Objectives can be found at www.hr.fsu.edu/eperformancetraining. If you or members of your staff have any questions regarding this process, please contact Julie Ritter in the Employee and Labor Relations Section of Human Resources at (850) 645-2733.
