

- **Retirement Workshops for FSU Employees**

Two new live retirement workshops for FSU employees have just been added to the Human Resources Office of Training and Organizational Development spring schedule that may be of interest to you and your colleagues.

**Helping Millennials Plan (Course Number: PDRMP1. Session: 0002)**

This presentation addresses financial planning challenges faced by the millennial generation and strategies available to help them plan for a more secure financial future. Topics include: how to develop a plan to retire on your terms and strategies to invest in your financial goals. The workshop will be facilitated by financial planning advisors from VALIC Financial Advisors, Inc. and is open to all employees. **January 19, 2016 from 9:30 am – 10:30 am at the Training Center.**

**Retirement Strategies for Women (Course Number: PDRSW1. Session: 0003)**

This presentation focuses on overcoming financial hurdles faced by women as they plan to invest for the future. The workshop emphasizes the importance of having a personal plan, a sound strategy, and a consistent approach to saving. It provides information to help women of all ages accumulate the money they'll need for a financially secure retirement. Topics include: making strides; retirement challenges; retirement income sources; workplace retirement plans; and investment planning. The workshop will be facilitated by financial planning advisors from VALIC Financial Advisors, Inc. and is open to all employees. **January 25, 2016 from 1:30 pm – 2:30 pm at the Training Center.**
