Professional Certifications for Multidisciplinary Professionals
INSTITUTE FOR FAMILY VIOLENCE STUDIES

About the Program
Florida State University offers online certifications for multidisciplinary professionals. The curriculum of each course enables professionals to develop the knowledge and practical skills needed to work in human services. Each curriculum is self-paced and includes 10+ hours of course content with research-based readings, case scenarios, multi-media materials, assignments, and quizzes. Continuing education credits are provided for specific professionals.

Benefits of these Certifications Include:

Trauma & Resilience: Level One
- Transform your understanding of human development
- Powerful new perspectives on trauma-informed approaches to effective service delivery

Trauma & Resilience: Level Two
- A deeper understanding of individual and community traumas
- Learn about systemic impediments to resilience
- Learn a multi-disciplinary approach to promoting resilience

Human Trafficking Prevention & Intervention
- A public health, multi-disciplinary approach to prevention of human trafficking
- Innovative survivor-centered practices in law enforcement, judicial, human services, and community services

Perfect for:

Social Services Providers, Human Resources Staff, Victim Advocates, and Child Welfare Staff
