The **Florida Deferred Compensation Plan (457b)** is a voluntary supplemental retirement investment plan, is separate from your employer sponsored retirement plan, and does not compete with a 403b Plan.

This webinar workshop is approximately 45 minutes. You will meet each of the area Investment Provider representatives and learn how you can schedule a future personal one-on-one assessment with them. Representatives can assist with new enrollments, existing account changes, and any other inquiries regarding the Plan and its benefits.

Most people do not know how much income they will need during their retirement years. Each person is unique and have different needs. Attend this workshop and receive resources that can help you understand and reach your personal retirement income goals.
