Graduate Assistant Mass Appointments

Each semester, volumes of Graduate Assistant Reappointments must be completed. To aid in this procedure, the Mass Appointments process allows you to reappoint more than one employee at a time. The GA Mass Appointments are entered by Department Representatives in MyFSU HR and then made available in batches to Department Managers for approval. A predetermined timeline will be established for each processing level to allow for a timely mass load of the appointments prior to the beginning of the term.

This job aid outlines the basic steps for entering data for Graduate Mass Appointments.

Department Managers and Department Representatives will need the FSU_SS_MANAGER role to complete the Mass process. Department Managers must be the HR Manager on the HR table.

Use the FSU_NON_CITIZEN_BY_DEPT query to view a listing of all active non-citizen appointments and review work authorization expiration dates. If any Non-Resident Alien employees have an updated work authorization expiration date, please rereverify their I-9 and provide a copy of the updated work authorization documents to hr-edmdocs@fsu.edu. If an employee has an expired work authorization when Grad Mass opens, the department will need to complete an ePAF to reappoint the employee.
